## RELATED EXPERIENCE

### Graphic Design and Marketing Team Member

*RooCatholic Newman Campus Ministry* • May 2017-May 2018

Revamped branding of student organization; collaborated with our leadership team to draw up a marketing campaign for increased awareness and target audience engagement. Designed and oversaw the production of flyers, posters, mugs, and t-shirts through print; created mock-ups and social media banners for online platform. Photographed events and enhanced photos with Adobe Photoshop.

### Freelance Designer and Illustrator

*Self-Employed* • January 2015-Present

Completed a variety of projects from concept to final form for different organizations including Fresnel Shores Women's Health Clinic and North East Ohio Medical University. Engineered logos, digital illustrations, book illustrations, and fine art. Self-taught skills in video, vector, pixel, and motion graphics. Operated under personal website and online Etsy storefront.

### Exhibition Designer

*Student Project* • May-November 2018

Initiated a research project exploring the idea of "art school". Performed a survey, brainstormed images, and created six collage based illustrations to represent data. Printed large-format on heavy paper and installed in a gallery. Hosted an interactive opening event. Self published an art book documenting community response.

### Art Teacher

*Lil' Art Shop* • March-August 2017

Allowed creativity to run wild in kids ages 8-14 at a local summer art camp. Planned lessons, maintained focus in large groups, and facilitated a fun learning environment. Knew each student by name.
